

F. No. J-25/64/2022-CCPA
Central Consumer Protection Authority

Krishi Bhawan, New Delhi

Dated: 14th July, 2022

Subject: Advisory in terms of Consumer Protection Act, 2019 concerning sale of Ayurvedic, Siddha and Unani drugs containing ingredients listed in Schedule E (1) of the Drugs and Cosmetics Rules, 1945 on e-commerce platforms.

This invites reference to public notice dated 01.02.2016 issued by the Ministry of AYUSH informing stakeholders that purchase of Ayurvedic, Siddha and Unani drugs containing any of the ingredients of plant, animal or mineral origin as listed in Schedule E(1) of the Drugs and Cosmetics Rules, 1945 are required to be taken under medical supervision and purchasing the same online should be avoided without medical consultation.

2. Now, it has come to the notice of the Central Consumer Protection Authority (CCPA) that the aforementioned category of drugs are being offered for sale on e-commerce platforms without any mechanism to verify if such drugs are being purchased by a user under medical supervision or not. As a result, the drugs consumed without medical supervision may lead to severe health complications.

3. It may be mentioned that as per Rule 161(2) of the Drugs and Cosmetics Rules, 1945, the container of a medicine for internal use for the treatment of human ailments shall, if it is made up from a substance specified in Schedule E(1), be labelled conspicuously with the words **"Caution: To be taken under medical supervision"** both in English and Hindi language. The list of poisonous substances under the Ayurvedic (including Siddha) and Unani Systems of Medicine as mentioned in Schedule E(1) is annexed herewith.

4. In view of the above, all e-commerce platforms are hereby advised that selling or facilitating the sale of Ayurvedic, Siddha and Unani drugs containing ingredients as listed in Schedule E (1) of the Drugs and Cosmetics Rules, 1945 shall be done only after a valid prescription of registered medical practitioner is uploaded by the user or patient on the platform.

5. The Central Authority may initiate necessary action under the provisions of the Consumer Protection Act, 2019 if, after investigation, it is found that the said drugs are offered for sale by any e-commerce platform in violation to the legal framework governing sale of such drugs to consumers.
